Character, Wisdom and Discipline for Tomorrow's Leaders

2 - 12 MELBOURNE ST, AYR QLD 4807 | PH: (07) 4783 5552 | WWW.BURDEKINGCC.QLD.EDU.AU

Principals Pen

There is an ancient Greek proverb - "A society grows great when old men plant trees whose shade they know they shall never sit in." What does this mean? There's a depth of meaning that we can bring to our lives when we take action for something greater than ourselves. It also means that our society (or College if we wish to use this phrase in a smaller context) will flourish through the selflessness of those who build a legacy for others they won't get to enjoy themselves.

In essence all our wonderful parents and caregivers are building a legacy for their children to enjoy by the time, love and resources they invest in their children while in their formative years. Similarly, the efforts of our amazing teachers in supporting every child at our College are another wonderful endowment that will benefit the students and society in general in the future. One of the things I love about our College is being able to work together with parents and students to formulate solutions to problems. In fact all our staff are here to work with our families if there are issues so remember to reach out if you require assistance.

Our Senior Leaders really represented the values of this adage by raising over \$509 for HeartKids this year through our Valentine's Day celebration. Their legacy building will see children with heart disease reap the benefits of their hard work. We hope all the community come together to support our upcoming day on Tuesday, 28 February, for children with Turner Syndrome. Students are invited to wear purple and create purple butterflies that we will be decorating a tree with. Another great initiative by our Senior Leaders.

It has been a very busy start to the year and it only plans to become busier with so many exciting initiatives at our College for 2023. All signs point to another incredible and productive school year! Excitingly our Prep playground and Senior School buildings will be finished soon – we do also need to thank Hurst constructions who went above and beyond to ready the Prep classroom on time. Please encourage your child to become involved in our clubs, theatre and musical productions, camps, competitions and sporting activities and most importantly attend school every day! We thank all the parents and caregivers who support us in this as they are truly legacy builders, remember Proverbs 13:22 says "A good man leaves an inheritance to his children's children."

God Bless – let's continue to work together to make this year the best ever in BCC's history!

Miss Debra Creed
College Principal

Dean's Corner - Academics

Burdekin Christian College is pleased to welcome back our wonderful students and families for another exciting year. It has been a busy start to 2023 with our Parent Information Evening and the rollout of our laptop programme. It has been fantastic to see how engaged and motivated our students have been in their studies and we cannot wait to share their success throughout the year.

Assessment Calendars

Assessment Calendars for Years 7 – 12 have been provided to students and a copy has been posted on the CARE class Google Classrooms. We encourage our students to frequently check their calendars to stay informed of upcoming assessments. Study Skills Club will be held every Monday morning to further assist students with preparing for their assessments. All students are welcome to attend.

Year 12

Our Year 12 students have embarked on their final year at BCC with a conscientious and positive mindset. Students will have started their first internal assessment in many of their subjects which are due by Week 8. It is important that our Year 12 students are implementing good study habits and routines to support their learning and success. While the journey may not always be easy, please remember that - 'I can do all things through Christ who gives me strength' (Philippians 4:13).

Year 11

Students in Year 11 are settling into their new subjects and adjusting to the senior school curriculum. The transition from Year 10 to Year 11 can be a challenging task due to the increase in learning expectations and workload. Students are encouraged to manage their time effectively and develop a solid work ethic to support this transition. For students following a General (ATAR) pathway, it is advised that they complete three hours of homework each night inclusive of homework and further reading. This term, students completed the Academic Integrity course set by QCAA to support their ethical understanding when approaching assessment.

We appreciate all of our families continued support and look forward to another amazing year at BCC in 2023.

Miss Megan Diamond
Dean of Academics

Dean's Corner - VET & Careers

This year, year 10s will complete the Short Course in Career Education. This subject has four pieces of assessment and will be run over the course of the year. At the end of the course, if students have completed and passed all four assessment tasks, they

will receive one QCE point. This will be carried over to year 11 and 12. Career Education focuses on personal attributes and how these skills can help with employment in the future. Students who are in year 11 and 12, who have not completed the Short Course, are encouraged to talk with me as they are still eligible to complete the course and obtain the QCE point.

TAFE has started back on Tuesdays this year. Students attending TAFE at the Home Hill campus are expected to attend CARE class first to have their names marked off and then go to the bus bay for collection, unless prior transportation arrangements have been negotiated with myself and the office. When at TAFE, students have the option of bringing their own lunches from home, or purchasing food on the campus. TAFE concludes at 2:30pm so that students are back at the College by 3pm for pick up.

If students are looking to complete a traineeship, apprenticeship or any certificate courses outside of school, they are encouraged to come speak with me. I am more than happy to help out wherever I can. Also, students should listen to daily notices as I will be posting about employment and certificate opportunities when available. If any take their fancy, they will need to let me know.

I look forward to working with everyone this year.

Miss Beavan
VET & Careers Co-ordinator

Teaching & Learning Coordinator

LAPTOPS: As technology continues to play a significant role in the educational landscape, laptops have become an essential tool for students and teachers alike. Laptops provide students with access to a wealth of information and resources that can enhance their learning experience, making them an invaluable asset in the classroom.

Many students have received their laptops. Students and their parents/guardians/carers need to head to the office to sign the relevant paperwork and pay the insurance fee of \$100. This payment can be completed in the office or a payment plan can be organised with the College.

It is important that these laptops are used appropriately. Student laptops are monitored, and any inappropriate websites or materials found on these school devices will lead to confiscation or outside authorities being contacted. All these details can be found in the BCC Digital Technology Agreement that all students and parents/guardians/carers have signed. If you have any questions regarding this, feel free to contact the office.

NAPLAN Online:

NAPLAN (National Assessment Program - Literacy and Numeracy) is a standardised national assessment program that tests the literacy and numeracy skills of students in Australia. It is designed to provide a snapshot of student performance in Years 3, 5, 7, and 9 and to assist schools, educators, and parents in understanding the progress of students' learning.

Burdekin Christian College 2022 NAPLAN test was conducted online for the first time, moving away from the traditional pen-and-paper format. In 2023, NAPLAN Online will take place in March, much earlier than in previous years. With this date fast approaching, the school is doing everything it can to make sure our resources and students are prepared for these tests. If you have any questions or concerns with your child participating, please feel free to contact me.

Mr Keenan
Teaching & Learning Co-ordinator

CHAPLAIN'S NEWS

GARDENING CLUB

There are a happy and helpful bunch of primary school students who are wanting to turn up to plant vegetable and flower seeds/seedlings and apply sugarcane mulch. However due to the hot weather we have not been able to start this process. With cooler weather approaching students will be happy to know Gardening Club will be back soon, with a prospective start date mid March 2023.

RECYCLING BOTTLES & POPPERS

This project has been running well since term 3 2022 and we are thankful to our students for doing their part in helping our environment. Funds go towards the support of Chaplaincy.

CHAPLAINCY BREAKFAST CLUB

This has been very well received by both students and staff and now runs four days a week Monday, Tuesday, Wednesday & Friday (previously twice a week), now that Elisha Zaro has joined the team on a Monday and Wednesday. Welcome to Elisha who is a former student of our school. Thanks to our wonderful primary school students who have a willingness to serve their peers every week. Your help is much appreciated!

CHAPEL PROGRAM

This runs on a Tuesday with Pastor Gerry for our junior students and on Fridays with Pastor Peter for our senior students. We are very blessed to have a captive audience as we teach Bible stories, sing Christian songs, have some fun activities and instil a Christian worldview and living out Biblical principles.

Tuckshop News

Hello and welcome to 2023!

The year has started with a bang and we've hit the ground running. Pop up tuckshop is proving to be ever popular for Mondays.

This week coming 20/2 I'm trying quesadillas, Mexican spiced mince and melted cheese in a toasted tortilla. (mild of course!)

The following Monday 27/2 is pasta day. Prices are staying at \$5 for now and still include a juice and popcorn.

Please remember to place orders before school to avoid missing out.

I have been looking into an updated menu and as soon as it's finalised, flyers will be sent home and School Stream will be updated.

Thank you all for your support and I look forward to a busy and exciting year.

God Bless, Miss Renee

THANK YOU!

VALENTINES DAY FUNDRAISER

Thank you to our amazing Senior Leaders for running such a great Valentine's Day! They spent the morning delivering dozens of roses and chocolates to lucky students. Congratulations to Caitlyn and Indy who won the Valentine's Day raffle - the bear was bigger than Caitlyn's little sister, Emma! Special thanks to Jack for drawing the raffle in his special HeartKids shirt, all profits will be going to this wonderful organisation that advocates for people impacted by childhood heart disease. Also a large Thank you to Amanda from Arcade Eats for donating the lollies and helping us raise awareness and funds.

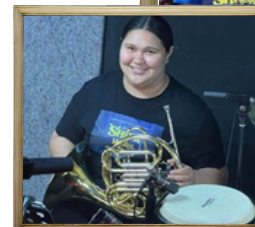

**SWEETHEART
GIVING DAY
THANK YOU**

CONGRATULATIONS!

Congratulations to our amazing superstars that have recently performed in Shrek the Musical. We are so very proud of your talents and your courage to perform on stage!

We can't speak more highly of these talented performers and how entertaining all their performances have been over the years. Congratulation again to the one and only Mr David Lequerica, and three upcoming superstars of the future - Zahli and Elora Keating & Cecillia Cason!

Sports with Ms Orchard

Y3-12 SWIMMING CARNIVAL

This term we have started an Athletic Club. This is on a Friday morning from 8.00am for the rest of this term. Mr Cornford will be here to coach the students with shot put, discus, javelin, long jump and running. I hope to see you there.

On Thursday 2nd of March 2023, will be our year 3 to 12 swimming carnival. The theme this year will be 'Surfing BCC'. This event should be not only lots of fun but also a historic event for our school with the introduction of the new houses. All parents and family are encouraged to attend.

CONGRATULATIONS

Brent was awarded the 2023 Young Citizen of the Year Achievement Award at the recent Australia Day Awards. The award recognised his passion to be an advocate for children with disabilities. Brent fundraised to bring the Brisbane Paralympic Football Program to the Shire in order to inspire other youth in the region to become involved in sport and has previously been approached to be a mentor for younger children with Cerebral Palsy. He is a member of Burdekin Shire Youth Council and also volunteers his time at Park Run. Congratulations and well done Brent, we are very proud to have you as part of BCC!

Mrs Lando's Library Hub News

We Go Together Like...

Books to check out with a friend.
Come check out the range of books to read together.

After School Activities

Homework Club - Tues & Thur
Play Group - Fri mornings
Book Sale - \$1 each

Out with the old to make room for the new. All money raised going to SRC.

February is Black History Month

We have a large range of Indigenous authors to check out for black history month

Valentines Day is also Library Lover day

Ahoy Mehearties

All are welcome to come check out our Pirates lair, where books arrgh the treasure

Reminders

- Library lunch times have changed with the Library Open to Primary school at first break all week.
- High school is second break Monday, Tuesday, Thursday, Friday & Closed Wednesday

PREPS FIRST WEEK

Wow what an amazing time for our gorgeous Preppies as they moved into 'Big School'.

Our littlest learners have already started learning sounds, have gone on adventures around the College and learnt how to count backwards from 10 already!

It has been so much fun with lots of learning so we can't wait to see what they accomplish by the end of 2023! Way to go – PREP RULES!

Mrs. Baptista & Mrs. Vigerzi
Prep Teachers

YEAR 6 GRIP CONFERENCE

Last Wednesday, our grade 6 students travelled to Townsville to attend the GRIP conference. Students participated in 3 different sessions where they learnt what it means to be a good leader, what a good leader looks like and how we can be effective leaders. The students particularly enjoyed the games and role play activities and have bought a new set of skills back to try out!

Mrs Vardanega
Year 6 Teacher

DANCE ACADEMY - PREP TO YEAR 4

We have had a great start to our dancing sessions this year with all students enjoying and participating with full enthusiasm in our dance lessons. Our dance theme for this term is animals. Our preps have enjoyed looking at how different animals move and how we can create a dance movement for each animal. Our grade 1-4's have been working on gross motor skills and incorporating these movements into their animal song. We look forward to presenting these at the end of the term!

Mrs Vardanega

YEAR 12 GRIP CONFERENCE

Year 12 students recently travelled to Townsville to undergo a student leadership conference run by the GRIP Leadership team. Together with school leaders from around the region the students underwent a practical and interactive day aimed at providing them with leadership ideas and initiatives that they could take back to BCC and implement in their senior year. The sessions centered around making the school a great place for everybody. Topics included; How to make every student feel valued, how to get everybody on-board with a new idea, how to replace conflict with unity, and ideas to bring assemblies alive.

The students look forward to utilising this experience and applying it practically at BCC to constructively contribute to this year's school motto of 'Build and Grow'.

Mrs Meinicke
Year 12 CARE Teacher

FORMAL FRIDAY

A Reminder that formal uniforms are to be worn every Friday in both Junior and Secondary School.

Other Reminders -

- Black closed in shoes
- Formal tops must be worn with formal skirt/pants
- Long hair to be tied back

PANCAKE & PYJAMAS FUNDRAISER

The logo for the Turner Syndrome Association of Australia, featuring a stylized figure in a blue and red pose, with the text "Turner Syndrome ASSOCIATION OF AUSTRALIA" to its right.

CLARINET & FLUTE

Flute & Clarinet lessons started last week with students eager to learn.

Flute lessons are held on a Wednesday and Clarinet lessons are held on a Thursday in the music room. The students are learning to develop the correct embouchure and how to hold the instrument. We have moved on to learning a few notes and the students are looking forward to playing some tunes together over the coming weeks.

They have been given a workbook to assist with practicing at home. It would be wonderful if parents could encourage them to practice every day to accelerate their progress.

Mrs. Gieves
Clarinet & Flute Tutor

Engineering Science

This term in Engineering the year 9's and 10's began investigating the engineering process and the vast disciplines of engineering such as civil, mechanical, aeronautical and more! This served as an introduction into our first engineering project, a wooden trebuchet. These ancient siege machines have stood the test of time and will now be put to the test by our wonderful engineers to be in year 9 and 10. We have focused on the five elements of the engineering process, define the problem, brainstorm, select a solution, build and test, and finally improve and retest. We are all very eager to see our final designs and lay siege to this fantastic challenge!

Mr. Bardsley
Engineering Teacher
